OLLERTON

The Ollerton adjustable bed offers a classic style, with hardwearing fabric upholstery. The electric 5-fold slatted adjustable bed base offers a remarkable level of adaptable comfort. The easy to use handset allows you to find optimal support from your neck to your legs.

The 5-fold bed base offers multiple positions which can be important for those who spend lots of time resting or recovering in bed. The pressure-relieving function is great for circulation, while keeping you comfortable at the same time.
